

Who Can Guide My Sleigh Tonight?

by
Valery

I needed help.
I had the sleigh.
I was looking for a team!

I tried cats.
They were too small.

I tried dogs.
They were too excited.

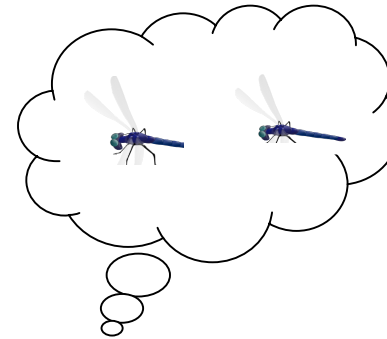

I tried dragons.
They were too hot.

Then I had a bright idea!

Horses!
That's it!
They can do it all.

Next year, maybe
I will try dragonflies.

THE END!
